Subject - Certain Special Concessions in respect of service and pay to one Mr B V Keshava Iyengar, B A , B T Assistant Master, Municipal High School, Malavalli.

I have the honour to state that the Managing Committee of the Municipal High School, Malavalli have proposed to allow certain special concessions in respect of service and pay to one Mr B V Keshava Iyengar B A , B T , Assistant Master of the school who, having entered service in the school against a Special Vacancy in grade Rs 40-4-60 on 21-9-1939 and having been continued against the same post till the end of 15-6-1943, ha resigned his appointment on the latter date with a view to qualifying himself by undergoing the B T Course in the Maharaja's College, Mysore, at his own cost It is reported that the teacher in question passed in the Examination and was appointed again in the same school with effect from 16-5-1944 in the same vacancy in the grade Rs 40-4-60

On the representations of the teacher that certain concessions may b allowed to him in view of his having joined the same school after taking the B T Degree, the Managing Committee have resolved, in consultation with the Deputy Director of Public Instruction, Mysore, that the teacher may be allowed to count his previous service of 3 years 8 months and

P T O

and 25 days by granting him the best leave that he was entitled to for the period of break in service from 16-6-1943 to 15-5-1944 and that his pay may be fixed at Rs 60/- in grade Rs 40-4-60 with effect from 21-9-44 as a special case The local Municipal Council have agreed to the proposal of the Managing Committee of the School Copies of the resolutions of both the bodies in the matter and an extract of the opinion furnished by the Deputy Director of Public Instruction, Mysore on the subject to the Management, are submitted herewith

Strictly speaking, the teacher is not entitled to count his service before his resignation, as he had not been appointed substantively as pe rules of recruitment and he had left even the temporary appointment by tendering his resignation But it is reported that he was refused leav when it was applied for previously, solely with the object of qualifying himself further at his own cost Besides, having passed the B T Examination he has come back and joined the same school The Deputy Director reports that the work of the teacher, in addition to his qualif cation, is quite satisfactory and recommends that his case may be corsidered sympathetically as there are very few trained teachers in Municipal High Schools, so that the services of this experienced and fully qualified teacher may not be lost to the school in the present abnormal circumstances when it is difficult to secure the services of even an ordinary untrained graduate to work as a teacher in a High School

As for sanction of a pay of Rs 60/- in grade Rs 40-4-60 to the teacher, I have to state that raw and untrained hands are being recruited as teachers in other Municipal High Schools on a higher pay than the minimum of the grade Rs 40-4-60, and sanction has been accorded by Government to start fresh candidates on Rs 48/- or even Rs 52/- in grade Rs 40-4-60 in the K G F High School and to start two teachers on Rs 60/- each in the same grade in the Municipal High School, Doddaballapur, one in each of the Municipal High Schools at Thyamagondlu and Nelamangala and

and one on Rs 48/- in grade Rs 40-4-60 in the Municipal High School, Anekal. Considering these facts and the circumstances of the case of the teacher in question, it is quite reasonable that he should be allowed the higher pay proposed to be given to him by the Management, as a very special case.

I recommend, therefore, that sanction may be kindly accorded to (1) treat the period of break in the service of the teacher as on leave, (2) confirm him with effect from 21-9-1939, the date of appointment, as it was done in the case of other teachers who were appointed on a temporary basis, applying the concessions allowed in Government Order No L 4247-61/M1 96-44-33 dated 3-11-1944 and, (3) fix his pay at Rs 60/- in grade Rs 40-4-60 with effect from 21-9-1944, as resolved by the Management, the cost being met from the budget allotment of the school, as it does not involve any extra cost since it is only a question of allowing a higher pay in the sanctioned grade for which provision is made on the basis of the average cost

The Deputy Director has also recommended that the teacher may be restored to his original seniority for purposes of his promotion to th higher grade Though it is true that the teacher could have got his promotion to the grade Rs 60-4-80 long back if he had continued in his first appointment without going in for the B T Course, as many teachers who were entertained even on later dates in several Municipal High Schools got their promotion to the higher grade as they became seniors though their appointments were only outside the rules of recruitment, it is not possible or desirable now to revert those teacher who have already been promoted to the higher grade, with a view to restore the seniority of this teacher His name will, however, be shown at the top of those in grade Rs 40-4-60 in the existing list, as a special case, as he would be senior to all the existing teachers in that grade, if the special concessions now recommended are sanctioned to him

I have the honour to be,
S i r,
Your most obedient servant,

DIRECTOR.

1 Subject - No 2 Application of Mr B V Keshava Iyengar praying for his confirmation in his post from the date of his entry into service i e , from 21st September 1939 and the grant of increments Since the teacher, Mr Keshava Iyengar, underwent B T course at his own cost and came out successful in the Examination, the resignation of the teacher accepted by the Managing Committee may be reconsidered by the Management and the period of absence of the teacher from the school till he rejoined the same post in the school, may be treated as leave to which he was then entitled or treated as leave without allowance, subject to the approval of Government since he was throughout a non- C R B hand as otherwise, the previous service put in by the teacher in the School will not count for service entitling him to increments In case the Government should approve this, after the probationary period of service of one year as in the case of Government servants, the teacher, Mr Keshava Iyengar can be regarded as confirmed in his appointment with effect from 21st September 1940 as per rules, of recruitment

As regards the three advanced increments prayed for by the teacher, I may state that the teacher passed the B T Degree Examination at his own cost and rejoined the same school, whereby the institution has the benefit of having a trained teacher without any extra cost to the management The prayer of Mr Keshava Iyengar, therefore, deserves favourable consideration of the Managing Committee

[redacted] of the Financial Assistant to the Director of Public Instruction in Mysore, Bangalore.

Graduate teachers working in the Departmental schools were being allowed the concession of leave both "due" and "not due" for a period of about 11 months in the year to enable them to quip themselves with the training degree at their own expense under G.O.No. E.1242-3/198-30-4 dated 3-10-32 But under G O.No E.4402-3/Edn 184-40-2 dated 28-8-41 such teachers in this Department came to be deputed on their own pay to the B.T.Course from 1941-42 and better concessions such as T.A. at transfer rates for the journey connected with the deputation for training etc., came to be allowed under G.O.No E.3221-3/Edn 96-41-10 dated 24-2-42 and this G.O. authorises the deputation of 25 Departmental teachers in each of the next four academical years on their own ay.

As the teacher referred to in the file is stated to have resigned his appointment in the first instance with the express intention of securing the B T degree and is stated to have joined the same appointment soon after the completion of the training course his prayer referred to (i) in the note of the Secretariat may be allowed with the sanction of Government

With reference to your office Memo No.Dl.1892-62/44-45 dated 8/9th June 1945 regarding Mr B V.Keshava Iyengar, B A., B.T., I have the honour to state that Mr B.V Keshava Iyengar would have been promoted to 60-4-80 grade on 8-8-1944, along with several other teachers of Municipal High Schools promoted from 40-4-60, to 60-4-80 in accordance with your Memo No Dl 5558-595/43-44 dated 8th Aug.1944 since he joined service in this school a month earlier than Mr. K N. ADDITIONAL SECRETARY TO GOVT OF H.H. THE MAHARAJA OF MYSORE No To Date 29/8/45

The Additional Secretary to the
Government of His Highness the
Maharaja of Mysore, Bangalore.

SIR,

SUBJECT - Grant of certain concessions of pay and service to Mr B.V. Keshava Iyengar, B.A., B.T , Asst. Master, Municipal High School, Malavalli.

With reference to your letter No.L.670 dated 28th July 1945 calling for information on certain points in connection with the question referred to above, I have the honour to state as follows with reference to the points raised -

Are there any precedents of the kind either in Government schools, Aided Schools or Privately managed institutions?

There are no precedents of the kind in Government Schools Since service in Aided and privately managed institutions is governed by the decision of the individual management of the school concerned without requiring the Departmental sanction for the action taken by them in such matters, it is not known whether there are any precedents of the kind in those schools.

2. What is the effect of his resignation?

The effect of his resignation was that the school lost temporarily the services of an experienced teacher until he joined the same post in the same school after qualifying himself further by passing the B.T. Examination, temporary arrangement having been made during the period of his absence, as already reported in this office letter No.cited above dated 13th/15th January 1945.

3. What are the rules, if any, governing such cases?

There

There appear to be no rules governing such cases, except those in general terms as per articles 267 (a) and 271 of the Mysore Service Regulations. It may, however, be added in this connection that Municipal High Schools are only a type of grant-in-aid institutions under the direct management of the Committees constituted according to the rules and the proposals of the kind made by the managements in the interest of the schools and supported by resolutions of the Municipal Councils concerned are being submitted to Government for sanction.

I have also to bring to your kind notice, in this connection, that as a large number of vacancies in grade Rs.60-4-80 in the various Municipal Schools could not be kept vacant as the managements pressed for posting of teachers, orders have been issued promoting this teacher tentatively in one of the vacancies with the observation that the promotion would stand only if Government approve of the proposals made on his behalf. Tentative promotions have also been ordered similarly in the cases of the three teachers referred to in this office letter No Dl.5559-596 of 43-44 dated 16th/19th June 1945 addressed to the Secretary to Government, Education Department.
